Richard,

Thanks for providing that update.

I'm surely you're already aware, but just FYI perhaps for others, I'm attaching (as background to your update's statement about Mr. Hennis' concern that he may be drawn into the ongoing litigation) the August 25th filing by one of EPA's co-defendants seeking to officially designate the San Juan Corporation and its representatives (including Mr. Hennis) and others as "non-parties" which may be at fault in the State of New Mexico's action.
